Villa Description

Welcome to apartment 103 located at the modern luxury condominium development known as Villas On The Beach. Apartment 103 is situated directly on the magnificent West Coast Beach in Holetown, St. James. The Holetown area offers excellent shopping & elegant entertainment with a variety of bars, bistros and fine dining all within easy walking distance. From apartment 103 you will enjoy spectacular sunsets on your private balcony or you can slip into something casual and go for a swim in the magnificent lagoon style pool. This sumptuous apartment is sold furnished and offers impressive quality with large living spaces at an excellent price; creating an opportunity for investors and holiday buyers alike. Apartment 103 consists of 2 bedrooms with en suite bathrooms, study, living room & large patio. The total living area is 1870 sq.ft. Designed by renowned architect Ian Morrison the layout of the apartment is excellent with sea views to be had from nearly every room, including the open concept kitchen area.
