Villa Description

Watch the ships sail by from this stunning 4 bedroom, 4 bathroom contemporary condo lined with glass. You will adore the bright 24 foot wide patio, perfect for entertaining. Marble tiled baths, soaring pickled pine ceilings and a gourmet Italian kitchen with granite work tops.

This apartment is one of 18 within the Villas On The Beach complex and enjoys use of the swimming pool, gardens, and secure beach access. The building has a lift / elevator, generator, and backup water storage facilities. The building is staffed 24 hours a day. There is also ample parking with spots allocated above and below ground.

Within walking distance you will find an exciting selection of duty free shops, restaurants and bistros. At Villas On The Beach the West Coast action is never far away.
