Villa Description

Shoumill is an elegant, executive home with 5 bedrooms and 7 1/2 bathrooms.

The property is located on Club Morgan Ridge and offers a stunning, panoramic view of the ocean, over the island's south coast.

Three of the five bedrooms are located on the upper floor, which also features a very spacious kitchen (the delight of any home chef!) and an open plan living and dining area which open onto the magnificent pool deck. The pool deck and outdoor patio hosts a lovely bar and is an ideal area for relaxing and entertaining.

There is an in-house elevator which will take you to the lower level where the other two bedrooms are located, along with the games room, several large storage rooms and the laundry room. There is also a separate outdoor patio and bar which lead out to the garden and grounds. The property sits on almost an acre of land and there are several lovely mature fruit trees.

The house features an alarm system and wrought iron throughout.

Offered unfurnished, but with appliances. Available May 1st 2012

US\$6,000 per month.
