Villa Description

Situated on the ground and 1st floor of a stunning, multi-level oceanfront property, MantaRay Bay #2 is one of five spacious apartments enjoying fabulous views of the shimmering clear waters of the Caribbean Sea. This recently-built,

exclusive development is set amidst beautifully landscaped gardens featuring a terraced area with large swimming pool and a whimsical water aspect stepping down to a wood/coral stone deck overlooking the beach below.

At the entry level, this elegantly furnished apartment offers 2 bedroom suites, powder room, a well-equipped, state-of-the-art kitchen and dining area. The living area features an entertainment centre and leads on to an expansive verandah. A spiral staircase leads to the lower level where there are 2 further bedroom suites which open on to a patio providing seating and dining areas, a wet bar and private plunge pool.

In addition, there is direct access from the ground floor to the pool deck and a private stairway leads from the terraced deck area to an unspoiled beach.
