Villa Description

On the long sweep of unspoilt, white sandy beach at Gibbs, St. Peter is Emerald Beach #4, one of just six luxury villas wonderfully sited in over an acre of landscaped gardens.

The villa has three generously large air-conditioned bedrooms, two on the upper level and one on the ground floor, all with private patios enjoying spectacular views of the Caribbean Sea. All bedrooms feature bathrooms en suite. There are ceiling fans throughout.

In addition to a stunning beach with lovely swimming areas, there is a large free form swimming pool for the exclusive use of residents. Gibbs has always been known as a very quiet, tranquil residential area.
